### Fall 2020 Virtual Concert Support Registration Form

#### ***"We Rise Again...."***

Since we will be unable to perform a "live" concert this Fall, we have decided to do the next best thing—a "virtual" concert. Our Members will participate, remotely. Their individual images will be compiled, and their voices will be professionally mixed providing a video that will be available on our website with the opportunity to distribute the link via social media. Of course, there are costs associated with this venture, and we will not be selling the tickets that our live performance costs. We are inviting our historical advertisers, as well as, individuals to offer financial support. Donors will be recognized in the "credits" to the performance for a \$75 donation. Although we will miss being able to perform live, we are excited about this opportunity to reach out to our community and beyond using this new and exciting approach. If you would like to support this endeavor through a \$75 donation, please be kind enough to provide the information detailed below:

Donations can be made by check or through our Square Account (see TMC website). Thanks for your continuing support, which is appreciated!
